

**REMEMBER IF GOD DOESN'T PERFORM HOW YOU THINK HE  
SHOULD ITS NOT THAT HE'S NOT THERE  
HE'S JUST ASKING YOU TO TRUST HIM**

**Jezebel has seduced many saints into believing the lie she's  
caused them to stop running the race, stopped them from being  
fully committed to the Lord. And if not fully married to Him then  
we'll feel on the outer not part of it yet in the midst of that lie  
God brings us to His mountain to be reunited with MY GOD and**

**DEPART FORM THAT PLACE INTO THE PLACE OF LOVE,  
ASSURANCE AND ACCEPTANCE IN CHRIST**

## **WHAT ARE YOU DOING HERE?**

1 KINGS 17:1 - 1 KINGS 19:1-14 read\*\*\*\*\*

Elijah makes an entrance, in the word with a profound statement “ there shall be no dew nor rain these years except at my word....

God immediately tells him to get away from here and go eastward (rising of the sun) and go to the **brook Cherith** ( place of separation) And God fed him supernaturally by ravens contrary to their nature they brought him meat and bread morning and night, After the brook dried up God sends him to **Zarephath** (Melting Pot, place of refinement ) and a woman makes room for him the (Word of God) and she is blessed..... Her jar does not run out nor her oil... while the word is present in the house he will supply all my needs....

The woman's son dies causing the woman to question Elijah and his call, Elijah brings back life to the lifeless, and the woman “*States By this I know you are a man of God and the word of Lord that is in your mouth is the Truth*”

It was not the provision that made the woman acknowledge the call it was Him producing Life out of a dead situation.....

God was developing the prophet to rely on Him no matter what, that when God speaks He does what He says.....

Elijah that great man of God the prophet of prominence who the Lord used to bring down fire from heaven and consume 50 men at a time, the one who could command the weather patterns to change who told King Ahab that rain would not come for 3years except at his word.... and commanded fire to fall... at his word, challenged the 450 prophets of Baal to a duel showed God off and killed them.... he was awesome he was powerful THINGS COULDN'T BE GOING BETTER.....

**UNTIL... THE FIGHT BECAME PERSONAL.....**

Now came up against the test of His life..... this fight was against an assignment for his life!!!!

He was confronted by the woman Jezebel (partially married). She spewed out a threat and He ran.....

What happened to the Mighty man that awesome prophet of fire, the all the refinement separation, miracles and provision he experienced? In one swoop in one statement everything for him had changed ..... BECAUSE NOW IT WAS PERSONAL.....

### **FEAR GRIPPED HIS SOUL.....**

Jezebel's soul aim is to make you run and retreat from whom God made you...

Her name means partially married, her sole aim is to break your relationship with the Lord.....

19v3 *And when **he saw that**, he arose and ran for his life, and went to Beersheba, (**well of the oath**) which belongs to Judah, and left his servant there.*

**He saw what?** Why was he afraid? Because God did not move or do as he expected.... Why couldn't God get her and burn her with fire? Why don't the people I've helped help me?

She had challenged Elijah to trust His God without seeing the SIGNS and Elijah feared and ran.....

### **Elijah knew the God of SIGNS AND WONDERS BUT HE NEVER KNEW THE GOD OF ELIJAH**

Would the God that fed him in the wilderness, nurtured him in his hour of desperation, heard his prayers and on his word stopped the rain, abandon him in his greatest hour of NEED?

### **FEAR GRIPPED HIS HEART AND MIND...**

**HE NEVER KNEW GOD WOULD NEVER ABANDON HIM**

**HE NEVER KNEW GOD WOULD NEVER LEAVE HIM OR  
FORSAKE HIM**

**HE NEVER KNEW HOW MUCH HE WAS LOVED...**

**HE ONLY SAW THAT GOD LET HIM DOWN... SO HE RAN.....**

He Got so low that all you want to do is die!! No life in him, no joy except a feeling of abandonment "I alone am left!" (19v4) can't even recognize that where your at God is covering you and providing for you..... Until you reach the mountain of the Lord

A great strong wind tore into the rocks and broke them into pieces

*But the lord is not in the wind*

After the wind an Earth quake

*But the Lord is not in the earthquake*

After the earthquake, a fire

*But the Lord is not in the Fire*

After the fire, a small still voice

Elijah heard it and suddenly a voice came to him "What are you doing here?" - your mountain of fear and regret, of despondency mountain of despair and hopelessness

Even this morning being here God has planned for you to come to his mountain, this is no ordinary mountain, it's the mountain of the Lord and just like Elijah he wants us wake up and remember He's not just the God who speaks and it is He's YOUR GOD..... WHO LOVES YOU AND MAKES AWAY FOR YOU....

A lot of saints feel that God has let them down and they've ran and now their only partially married to Him because you've never realized the enemy had an assignment against your soul and he caused you to run away from God instead of into Him.... And you've found yourself in a place you shouldn't be .... " the question God is asking you is "

**What are you doing here?"**

God comforts his soul and so Elijah departed from there.....
